

PROJECT MANAGEMENT CERTIFICATE PROGRAM

The Project Management Certificate Program covers *A Guide to the Project Management Body of Knowledge (PMBOK® Guide)*, which serves as the fundamental knowledge base for project management.

Upon completion, you will satisfy the education requirements to sit for the PMP® exam. Recognized domestically and internationally, PMP® certification sets the standard for excellence in project management.

WHO SHOULD ENROLL

Individuals in either the public or private sector will benefit from coursework, as well as those with 3-5 years work experience who are preparing to pursue career opportunities in the area of project management.

CURRICULUM (12 units total)

- Project Launch
- Project Planning
- Project Execution

- Project Planning with Multiple Projects

ALSO OF INTEREST

- Intensive Project Management Review
- Happy High-Performance Teams
- Presentation Skills in a Virtual World

PROGRAM BENEFITS

- Apply effective project management tools and techniques to launch, plan and execute a project
- Earn continuing education credits for professional certifications
- Satisfy the education requirements for PMP certification

CERTIFICATE ELIGIBILITY AND REQUIREMENTS

To earn the Project Management Certificate, students must complete 4 required courses with a grade of “C” or better. Students not pursuing a certificate are welcome to take as many individual courses as they wish.

PMI, PMP and PMBOK are registered marks of the Project Management Institute, Inc.
