

DO YOU NEED TO LEARN SPANISH FOR YOUR WORKPLACE OR HEALTHCARE FACILITY?

As the number of native Spanish-speaking individuals in the United States grows at an ever-increasing rate, more and more people are seeking out Spanish language education in order to communicate more effectively in the workplace.

These courses are designed for English-speaking professionals who understand and speak very little or no Spanish, but wish to enjoy a comfortable, thoughtful language learning experience.

UCI Division of Continuing Education now offers both business and healthcare options for a more complete and targeted language experience.

BENEFITS:

- Understand Spanish words and expressions used in workplace situations
- Make statements, ask questions and carry on dialog using complete Spanish sentences
- Communicate with native Spanish-speaking colleagues with comfort and moderate proficiency
- Recognize the differences between U.S. and Latino cultures
- Assist co-workers in need of basic-to-intermediate Spanish skills
- Demonstrate a desire to learn Spanish language skills

WHY UCI CONTINUING EDUCATION

- No application required
- Outstanding real-world practical training
- Taught by an instructor with more than 20 years teaching Spanish to business professionals
