Getting Started
Eligible veterans can apply through the United States Department of Veteran Affairs in order to obtain a Certificate of Eligibility. Applications can be completed online at http://www.gibill.va.gov or by calling the Department of Veteran Affairs at 1-888-GIBILL-1 (1-888-442-4551). Should you have questions about your eligibility for benefits, please contact your Educational Services Officer on your military base or the Department of Veteran Affairs.

Some important points for students using VA educational benefits:
• Students using VA educational benefits must submit transcripts from any educational institution they have previously attended regardless of whether educational benefits were used or not.
• Students using VA educational benefits must also submit the VA Educational Benefits Intake Form and the VA Educational Benefits Checklist to UC Irvine Extension.
• Once all forms have been received the student's enrollment and certification will be processed.
• Students are responsible for verifying their enrollment with the Department of Veterans Affairs. Almost everyone receiving MGIB-Active Duty benefits, as well as those in the Selected Reserve, must verify their enrollment each month to receive payment for the month. However, this does not apply to those using the Post 9/11 GI Bill.
