   - For example, your basic credential will expire on 6/1/2021. You submitted your application packet on 8/27/2020. Your administrative services credential will be issued with an expiration date of 6/1/2021.

☐ Official verification of at least five years of successful employment on a valid California teaching or services credential
  o If you did not provide this at the time of admissions, you must provide it now. If you did provide it at the time of admissions, you do not need to resubmit it. (Note: Verification needs to be on school district or employing agency’s letterhead. Verification needs to be signed by your school district’s Director of Human Resources, Director of Personnel, Superintendent, or Assistant Superintendent.)

☐ Verification of employment as an administrator (NOTE: Verification needs to be on school district letterhead or you may submit the CTC’s form, found on the CTC website at http://www.ctc.ca.gov/credentials/leaflets/cl777.pdf. Verification needs to be signed by your school district’s Director of Human Resources, Director of Personnel, Superintendent, or Assistant Superintendent.)
  o If you are filing for your Certificate of Eligibility, you will not submit this documentation.

☐ UCI charges $127.50 for processing the Preliminary Credential. Please pay $127.50 via https://secure.touchnet.net/C21570_ustores/web/store_main.jsp?STOREID=339&SINGLESTORE=true

After your recommendation has been submitted by UCI’s Credential Analyst and Counselor, you will receive email instructions from the CTC regarding payment:

☐ A valid credit or debit card will be necessary to make payment of $102.50 directly to the Commission on Teacher Credentialing through the CTC website. This payment of $102.50 must be paid within 90 days of recommendation. If payment is not received within the 90 days, the recommendation is dropped out of the CTC’s system and you would have to be re-recommended by UCI’s Credential Analyst and Counselor.

I did not receive the CTC’s email regarding payment. What should I do?

Please check your spam or junk folder. If you do not see the CTC’s email but you have received an email from our department informing you that your recommendation has been processed, you may complete your recommendation by following the directions found here: https://www.ctc.ca.gov/credentials/complete-recommend.

How do I prove to my school district that I will be receiving the credential?

Once all required documents are submitted and the credential analyst has processed your credential recommendation with the CTC, you will receive an email requesting payment from the CTC. For more detailed directions on how to pay for your credential after UCI has recommended you, go to https://www.ctc.ca.gov/docs/default-source/credentials/online-services/pdf/web-app-tips.pdf?sfvrsn=8a9951bb_2. After payment is received and the CTC completes your application process, you will receive a second email confirming the payment for your credential. You can use this email as verification for your district that your credential is being processed. Recommendations
completed online are normally processed within 10 working days and posted to the CTC website. Employers and education agencies seeking proof that a document has been granted by the Commission may use the “Search for an Educator” button on the CTC website at http://www.ctc.ca.gov/ and key in the SS# and DOB of the person whom they wish to verify to view the electronically displayed information for the official record.

What if I have completed the coursework and performance assessment, but I do not yet have a job as an administrator?

It is still very important to submit all of the documents required above EXCEPT for the verification of employment as an administrator to the credential analyst. The credential analyst will apply for a Certificate of Eligibility, which has no expiration date. You will indicate on your downloaded CTC application you are applying for your Certificate of Eligibility under Term. Once you obtain an administrative position, you and your school district will need to file for your Preliminary Administrative Services Credential with the CTC.

What will I do to renew the Preliminary Administrative Services Credential?

In order to clear the credential you must complete a Clear Administrative Services Credential program and be recommended for the clear credential. See the UCI DCE’s website, https://ce.uci.edu/areas/education/admin_services2/ for more information on the Clear Administrative Services Credential program. Note: To be admitted to UCI DCE’s Clear Credential, you must enroll in the program within one year of your initial hire as an administrator.

IMPORTANT: It is extremely important that you apply for either your credential or the Certificate of Eligibility immediately after completing the required coursework and CalAPA cycles. We will not make a credential recommendation if the coursework and CalAPA cycles have not been completed within the last 5 years.
