

Northeastern University & UCI Division of Continuing Education

ABOUT THE PARTNERSHIP

Northeastern University and the University of California Irvine (UCI) Division of Continuing Education have entered into an institutional transfer agreement whereby UCI Division of Continuing Education students who earn specific graduate certificates and satisfy Northeastern University admissions requirements are eligible to transfer credit earned towards Master or Science Degree programs.

NORTHEASTERN UNIVERSITY – A GLOBAL NETWORK WITH LOCAL CONNECTIONS

Northeastern University is a private, non-profit research university built on a tradition of engagement with the world. Founded in 1898, Northeastern is a top-40 university and the recognized leader in experiential learning, anchored in the world's largest and most innovative cooperative education program. The University is dedicated to fostering innovation, entrepreneurship, and use-inspired research throughout the world.
