

Innovative Ideas, Global Perspectives

DCE Internship Program

UCI Division of Continuing Education

Hire interns for your organization **today!**

Gain innovative ideas and fresh global perspectives from our student interns who are recent graduates from the Division of Continuing Education's Accelerated Certificate Programs. Our interns are ready to help your organization succeed using their newly acquired skills and education.

Why Our Students?

- Highly motivated and eager to participate, learn, and create an impact
- Range of experiences from undergraduate students to professionals with 10+ years of experience
- Education in various fields including Business, Marketing, Finance, Tourism & Hotel Management, Innovation, and more
- Give back to the community and support student development

"To other companies who are considering interns... I'd say, 'Dive in.' These are smart kids. They're from UCI; they're from universities overseas prior to that, and they are eager to learn." **Bill Ross, Lula 101**

"...interns greatly exceeded our expectations and worked well as a team." **Dr. Al Nigl, MetricZoom**

"Our company is looking forward to continuing our partnership with UCI in providing real work experience to its international students." **Kenji Vasquez, RIA Financial**

"[The] DCE program is a tremendous value to everyone in the community alike: the university, the students, and the employers." **Robert Kollar, Givsum**
