ENROLLMENT POLICY

Enrollment for students applying for a 25% reduced fee in course fees will be processed, space permitting, just prior to the start date of the class. Full paying students are always given priority in the enrollment process. The student or department may choose to pay the full fee to guarantee a space in the class, with the option of requesting a 25% refund of fees if the class does not reach its enrollment capacity. The request for a 25% refund must be initiated by the student within one week of the start date of the class. Course with materials fees may not be eligible under the reduced fee program.

UCI Continuing Education reserves the right to exclude from this arrangement certain programs such as ACCESS UCI, Summer Session, Clear Induction Administrative Services Credential, Law, Supply Chain, Personal Financial Planning, Oracle, and computer lab courses.

Please choose one of the following enrollment options:

1. Enroll at the full fee to secure a space in the class.
   If the class does not fill, the employee is eligible for a 25% refund of course fees. The employee must contact the Student Services Office one week after the class start date to initiate the refund process. No refunds will be processed after this time.

2. Wait until the class start date for an available opening at the 25% fee.
   Enrollment for students applying for a 25% reduction in course fees will be processed, space permitting, just prior to the start date of the class. Full paying students will be given priority over employees requesting a 25% fee reduction.

I have read the above policy and agree to the terms and conditions for the option which I have indicated above.
