

Design **your path** to career success.

Repeat the previous steps to nurture a career that fulfills all your personal and professional goals.

10

Advance your career through job promotions or by using your education to begin a new profession.

9

Position yourself for leadership roles by functioning as a mentor to colleagues.

8

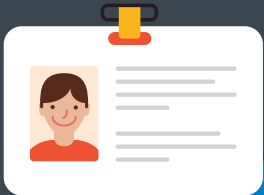

"Employability depends less on what you already know and more on how well you can learn, apply and adapt."

- Mara Swan, EVP, Global Strategy and Talent, Manpower Group

Join a professional association to keep your industry knowledge up-to-date and create new relationships.

6

Set yourself apart by taking on new challenges that highlight your unique qualifications.

7

Increase your professional network to learn from peers and foster career opportunities.

4

Pursue continuing education to grow your skills and add valuable credentials to your résumé.

3

Build your confidence by voicing ideas that showcase your new skills and expertise.

5

Set long-term goals to create a clear vision of what you aspire to achieve.

1

Evaluate knowledge gaps to determine your professional development needs.
