

Is It Time to Change Your Career?

1 How does work make you feel?

- A. Happy
- B. Bored
- C. Stressed

2 Do you want to earn more money in your career?

- A. I make enough money to support myself and pay for everything I want
- B. More money would be great, but I am okay for now
- C. My current field of work does not pay me enough

4 If you want to stay in the same career, will you need to upgrade your skills?

- A. Yes, and I wish to continue my education
- B. No, I do not need any new skills
- C. Yes, but I am not willing to upgrade my skills to stay in this career

5 Do you want to leave your current career to pursue your lifelong passion?

- A. There is no other career I am passionate about pursuing
- B. I can pursue my passion in my spare time
- C. Yes!

3 Does your current occupation make the most of your skills, training, and talents?

- A. Yes, it does.
- B. It usually does, but not always
- C. It does not. My skills, training, and talent are being wasted

The Answers:

**If you answered mostly A's:
Stay in Your Current Career**

Seems like you are generally happy in your current position. It is always a great idea to keep upgrading your skills to benefit your current position.

See how UCI DCE can help you keep your skills and knowledge fresh with the changing times.

**If you answered mostly B's:
Stick Around a little longer**

Seems like you are content with your current position. Maybe it is time to go back to school online or take a few evening classes to see how you can benefit your career and keep it new and exciting with new skills.

See how UCI DCE can help you stay satisfied with your current career path.

**If you answered mostly C's:
Might be time to switch careers**

Looks like you want to change careers as soon as possible. It is important to be happy with what you do and not be overly stressed. Maybe it is time to take a UCI course or certificate program that better aligns with what you want to do.

See how UCI DCE can help you make a career switch.
