**The Witches and Witchcraft of 16th & 17th Century England: Did the Hysteria Affect the Pilgrims by Bringing It To America?**

**Tuesday, July 18**

**10:00 AM - 12:00 PM**

Witch hysteria took hold of Europe in the mid – 1400s when The Hammer of Witches (Maleus Malaficurum) was published. The book described witchcraft and prescribed witch extermination methods, including burning at the stake. It is argued to have established witch trials during the religious conflict between Protestants and Catholics.

The hysteria did not end in Europe, did the pilgrims bring witch hysteria to America?

**Presenter:** Helen Brooke, MBA, a 2022 graduate of the University of Durham, has a Masters in Medieval to Post-Medieval Archaeology, specializing in the English Civil War And iconoclasm in Cathedrals (1642-1651). She will present from her classroom in the UK.
