Learn how to raise smart, confident kids and have fun doing it!

This workshop is a must for families seeking a better and healthier future for their children. Grandparents and parents should attend to learn how kids' social and emotional neurology can supercharge their academic success, boost their mental health, and position them for lifelong happiness and success.

*OLLI at UCI COVID-19 Vaccination Notice: For the safety and well-being of the entire UCI community, individuals will be required to show proof of vaccination status, including boosters, for all UCI locations. To view UCI's vaccination policy, visit ce.uci.edu/olli/info/health.aspx
