Enroll Early
Enrolling at least two weeks prior to the start of your course will ensure you receive your enrollment confirmation, which contains important information about your class, prior to the course start date.

NOTE: Participating in a UCI Division of Continuing Education (DCE) educational program does not in itself provide preference in admission to the University of California degree programs. Students interested in applying to UC degree programs should refer to the UC Admissions website or the admissions office of the UC campus they wish to attend for details about the admissions process.

Enrollment Deadlines
Students are required to enroll in courses before the start of the second class meeting. For online courses, students may enroll up to 10 calendar days from, and including, the official class start date. For single meeting courses, students are required to enroll prior to the start of class. Enrollments will not be accepted after the enrollment deadline.

Late Registration
A $25.00 late fee applies to enrollments after midnight following the first class meeting for classes that meet in a classroom. For online classes, a $25.00 late fee applies on the 4th day of the 1st week of the course. For example, if the course begins on Monday, the late fee applies on Thursday of the same week. Late fees are assessed per course, are non-refundable and non-transferable.

Drops
Students may drop a course any time before the final class meeting. A stop payment on a check or disputed credit card charge does not constitute an official drop and may result in additional fees. For online courses, failure to login or access your online course is not justification for seeking a refund. Students must follow standard procedures to drop an online course. For further information and instructions, visit ce.uci.edu/drops or contact the Student Services office at (949) 824-5414.

Refund Policy
To be eligible for a refund, your written drop request must be received on or before the refund deadline for the course printed on your enrollment confirmation. Not receiving your enrollment confirmation before the course begins is not justification for seeking a refund. For refund schedules and additional information, please visit ce.uci.edu/drops.

All refunds are subject to a $25.00 non-refundable administrative fee per course except when a course is canceled or rescheduled by UCI DCE. Candidacy, parking, late, and drop fees are non-refundable and non-transferable.

International Programs Refund Policy
Visit ce.uci.edu/dropsIP for information about important policies and deadlines.

ACCESS UCI Refund Policy
Please visit ce.uci.edu/dropsACCESS for important deadlines and policies.

Waiting List Policy
Waiting lists are created as courses fill. UCI DCE extends enrollment availability to students in the order they appear on the waiting list. Instructors are provided with copies of the waiting list and are requested to comply with this policy. (Not applicable to ACCESS UCI or International Programs.)

Schedule Changes
UCI DCE is required to be self-supporting. Courses may be discontinued at or before the first scheduled meeting for any reason. If your course is discontinued, you may request to transfer to another course or a refund of the course fee. UCI DCE reserves the right to reschedule or combine courses and to change instructors.

Grade Option
Students have until the day before the last class meeting to change their grade option. Grade options may be changed via My Account, in person, or by mailing or faxing a Grade Option Change Request form (ce.uci.edu/gradeoption) to the Student Services office. Courses must be taken for a letter grade to count towards a certificate. (Not applicable to ACCESS UCI or International Programs.)

Full Time Status for Verification Purposes
UCI DCE provides official verification for students enrolled in DCE courses and programs. Enrollment status is determined as follows:
• 12.0 units or more is considered full-time status
• 6.0 through 11.9 units is considered half-time status
• 5.9 units or less is considered less than half-time status

Use of UCI DCE Courses toward Degree

UCI DCE courses are not accepted as part of the resident requirements of the University. Grades earned at UCI DCE are not used in calculating the university grade point average.
