2023-2024

June 18, 2024

A Dedication to All Certificate Award Recipients,

Today we are here to celebrate you and your fantastic achievements as you complete another step in your lifelong learning journey. Congratulations on earning your certificate. This certificate signifies months (and, in some cases, years) of work, study, and sacrifice. You did it!

We salute your friends, family, employers, and network who have supported you in achieving this goal and who care deeply about your success. By engaging in your own personal and professional development, you are signifying to those around you that you **care**, and you want to contribute to the health, vitality, and economic growth in our region.

We sincerely hope that the knowledge you have acquired and the skills you have developed will help you in your life and serve as a model for those around you. We hope that you'll share your knowledge and skills with others, through mentorship, leadership, and new career opportunities.

We also hope that you'll come back. Continuing education never ends, and that is a wonderful thing! As you move through your life, learning new things comes naturally, but sometimes you'll need structured learning or access to experts to solidify what you know, or to teach you something completely new. This is where we come in. We're here with you, as your partner, to support your lifelong learning journey. We're hopeful, optimistic, and committed to a bright future where continuous learning helps us all to continually evolve and thrive.

So, please stay connected. Today, you enter a new chapter in your relationship with the university, joining the ranks of previous certificate award recipients and UCI alumni who have benefited from UCI's unique capacity to combine research and teaching to produce exceptional leaders. We invite you to join the UCI DCE alumni chapter and take advantage of the cultural and social opportunities offered by our university. It goes without saying that we invite you to continue your lifelong learning journey with us at the UCI Division of Continuing Education, by signing up for your next course.

Thank you for coming today and for choosing to learn at UCI. We hope that you will enjoy the ceremony and that you feel incredibly proud of your achievements. Congratulations, Anteater; we can't wait to see you again soon.

It's your time to shine!
