Look for the Infinity Fountain and the Sculpture Garden at Humanities Plaza celebrating notable Chinese philosophers. - Consider what others see behind you; consider using a virtual background or turning off your video
- Keep interruptions to a minimum

- Login at least five minutes before class starts to allow for any last-minute adjustments.

YOU ARE ON A LIVE MICROPHONE

- Mute yourself when listening
- Avoid side conversations
- Eliminate background noise to the extent possible, including phones, TV, radio, pets

CODE OF CONDUCT

OLLI at UCI's goal is to create environments that maximize the learning experience for all members. Many of our programs offer a forum for the lively and even passionate exchange of views. To that end, our learning community follows principles of courtesy and mutual respect that promote reasoned discourse and intellectual honesty. Opposing viewpoints are honored and appreciated to preserve the dignity of others.

Transgressions include, but are not limited to, denigrating other views or opinions, threatening behaviors, offensive or abusive language, disruptive classroom conduct, sexual harassment or discrimination, or monopolizing discussions. Personal attacks are especially unwarranted.

OLLI administrators, class developers, or class leaders have the authority to remove any OLLI members, instructors, or facilitators who do not or cannot adhere to the principles of courtesy, mutual respect, and non-threatening verbal and physical conduct.

Thank you for your cooperation.
